Experience

WEB DEVELOPMENT TRAINER

UNITED INSTITUTE OF MANAGEMENT

Aug 2023 – Present Prayagraj, UP

- Conducted comprehensive Web Development sessions, addressing front-end doubts, and assisting 150+ students.
- Enriched the educational sphere by collaborating with students in project development, providing mentorship throughout the process and by offering personalized feedback/suggestions to enhance their skills and project outcomes.
- Engineered various responsive web design (RWD) such as portfolio, collection of games, quiz website, etc and facilitated discussions, encouraged critical thinking, and promoted interactive learning.

JAVASCRIPT INTERN

INDIAN INSTITUTE OF INFORMATION TECHNOLOGY, ALLAHABAD

Dec 2023 – Jan 2024 Remote

- Demonstrated proficiency in JAVASCRIPT by architecting and implementing E-commerce website, optimizing cart structure and leveraging services like payment gateway, user dashboard for seamless application scalability.
- Developed attention to detail in code reviews, debugging, and optimization. Collaborated remotely with a talented team using git.

Recent Projects

WONDER-LUST TRIP WEBSITE

TECH - NODE.JS, RESTFUL API, MONGOOSE, JAVASCRIPT

Jun 2023 – Jul 2023

Developed a full stack Air-Bnb inspired website for travel bookings. Designed and implemented user-friendly interfaces for admins to list travel services. Enable users to seamlessly book accommodation and travel options throughout secure authentication system.

E-COMMERCE WEBSITE

TECH - BOOTSTRAP, HTML, CSS, JAVASCRIPT, STRIPE

DEC 2023

A multi-role Cloths Application ensuring secure login for customers and admins while providing personalized shopping experiences with features for product management, Cart handling, and order tracking.

YOUTUBE CLONE USING REACT JS

TECH - REACH JS, TAILWIND CSS, APIS

Nov 2023

Responsive React JS web app featuring dynamic routing via React-Router-DOM. Leveraged the YouTube API to fetch video-related data, include search results, video details, and comments. Pioneered real-time live chat, and fostered user interaction.
